Dear Interested Party,

Centralina Clean Fuels Coalition is pleased to announce that it is seeking nominations for its annual Clean Cities award given to an organization for excellence in clean transportation initiatives. The award will be presented at the Centralina Council of Governments Board of Delegates meeting on Wednesday, February 10, 2010.

### Award Description:

This award will be presented to the organization that best demonstrates excellence in clean transportation and fuel activities. This organization has recognized the environmental, economic and national security benefits of reducing consumption of fossil fuels and has implemented programs and initiatives to lower their use of traditional transportation fuels. These activities include but are not limited to: purchasing alternative fuel and/or fuel efficient vehicles, using alternative fuels in their fleet, implementing idle reduction policies, improving fleet fuel economy, partnering with fuel providers to expand alternative fuel availability, and generally supporting and participating in current Clean Fuels Coalition/Clean Cities programs and priorities.

### Nomination Process:

Please submit a one-page narrative describing why your organization or an organization you wish to nominate should be considered for this award. The narrative, at a minimum, should include specifics on programs or activities that the organization has implemented that reduce the consumption of fossil fuels. Please also include contact information for the nominated organization, and contact information for the nominee.

Nominations must be submitted to Emily Parker at [eparker@centralina.org](mailto:eparker@centralina.org) by **Friday, January 15, 2010**. Please direct any questions to Emily via email or at 704.688.6507.

Sincerely,

Jason Wager  
Coordinator
